This would be a great time to use your 2 hour power. If you haven't already used it. For those of you who don't know about the 2 hour power it is something that is asked of each parent. All we ask is that sometime during the school year you donate 2 hours of your time. If each parent just gives two hours of their time, then the volunteering doesn't fall on just a few people and everything runs smoother. If you would like to know more about 2 hour power you can contact Jamie Coughlin at president@gapo.org.

Please look for the volunteer sign up sheet that will be going home with your child for the above events. We hope that you will be able to help GAAPO at one of the remaining events for this school year! Thank you for your support.

Thank You

Thank you to all of our volunteers, your time is priceless!
