

## GAAPO newsletter

Thank You to all of you who came to the General Parent Meeting. We hope you got some great ideas on how to make your family healthier, and congratulations to those of you who won prizes!

A huge thank you to SUBWAY for donating to our General Parent Meeting once again!

GAAPO recently purchased a Cricut for the school, take a look around to see what great things that the staff have created with the machine. If anyone has a Circuit cartridge with a footprint on it, and would like to let the school borrow it, please contact Ms. McCool. She is creating a program to promote fitness with the school, that involves the new track.

A new "2 Hour of Power" pledge for 2011 has been sent home with your students. Please return the form so that we may update our records and your child will be entered in a drawing for a prize.

5th Grade will still be selling candy bars and pepperoni sticks for two more weeks. Please continue to help them raise money for an overnight retreat. They appreciate all the support they have already received from everyone!
